

# **SAKALA JANULA SAUBHAGYA TELANGANA**

**BJP Election Manifesto - 2023**

**Mana** | **Modi Guarantee**  
**BJP Bharosa**

## **My Telangana brothers and sisters,**

For close to half a century the agitation for a separate Telangana state revolved around historical injustices that the region faced on the long-pending issues of **Neellu (Water), Nidhulu (funds), and Niyamakalu (employment)**.

After the sacrifices made by 369 youth in 1969 and 1,200 of our brothers and sisters between 2009 and 2014, the state was finally formed with a great sense of optimism and hope. In the 10 years since the formation of Telangana, the people of the state deserved a government that could deliver on the very foundations it fought for.

However, today Telangana stands at the crossroads after being systemically plagued by corruption, inept administration, rampant unemployment and state finances in a total disarray. All of this has been enabled by the incumbent government which in the name of development has focused on promoting its own selfish interests, thereby breaking the fundamental tenet of governance - to put the people of the state first!

- Neellu: In the name of Kaleshwaram, all the pending irrigation projects of the state have been relegated to the back burner. The cost of the project was escalated from Rs. 42,000 crores to Rs. 1,35,000 crores and today the caving of the pillars in the various barrages has put the entire project in jeopardy affecting our welfare.
- Nidhulu: On the economic front, Telangana has become an example of irresponsible financial management as the state which began its journey as a surplus state now is in deep debts.
- Niyamakalu has become a farce. Over 30 lakh youth and their families are reeling under utter frustration with the TSPSC fiasco as the government remained thick-skinned

Today, the state needs a new paradigm and a new governance Model. We have formulated in this Manifesto, **a 10-point action plan (dasha) to transform Telangana in the direction (disha) of holistic progress** committed to the very foundations of the formation of our Telangana.

As you are all aware, by making *Sab ka Saath and Sab Ka Vikas* the quintessential mantra, the Modi government at the center, has given us transparent governance that is development and welfare oriented. In contrast to what India had witnessed between 2004 and 2014, Modi government has enhanced the image of India manifold at the international level making every Indian proud.

### **Telangana today needs such Modi like Governance**

I would like to appeal to all my brothers and sisters of this glorious state to join hands to transform our state into a model state that every other state aspires to become.

With Telangana's *Dasha-Disha*, TSBJP expresses its commitment to build a glorious Telangana.

**This is Modi's guarantee. This is BJP's promise.**

Yours Sincerely

  
**(G Kishan Reddy)**

# A 10 Point (dasha) action plan to transform Telangana in the direction (disha) of progress

## A 10 Point (dasha) action plan to transform Telangana in the direction (disha) towards progress

### Good Governance for all; Focus on effective administration

01.

- Ensure **zero tolerance towards corruption and provide Good Governance** with the Modi Mantra of '**Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas**'. The BJP on assuming power will appoint a commission of enquiry headed by retired supreme court judge to probe into all corruption allegations including Kaleshwaram and Dharani scams and other financial irregularities committed by the incumbent BRS Government.
- To bring down inflation and give respite to the common people, we will **make petrol and diesel cheaper by reducing VAT in line with other BJP states**
- Replace the existing **Dharani** System with a fool-proof **mee-Bhoomi** system
- A New nodal Ministry for **implementation and saturation of Government of India Central Schemes**
- New Nodal department/Ministry for **overseas residents of Telangana** especially the **Gulf residents**
- Ensure **timely payment of salaries and Pensions** to employees and retirees on the 1st of every month

04

## Empowering the marginalised communities; Equality before the law

02.

- Channelizing the aspirations of the marginalised sections and **providing real social justice** and to take care of all the people and ensure their development, **BJP will appoint Telangana's first BC Chief Minister**
- We will **abolish unconstitutional religion based reservations** and **increase reservation for OBCs, SCs and STs**
- Formation of a Committee to **draft a Uniform Civil Code to consolidate and harmonise various personal laws**
- Fast track **SC sub-categorisation** in reservations to ensure most disadvantaged and underprivileged among SCs are empowered

## Koodu-Goodu: Food and Housing Security

03.

- **Construct new houses** based on the requirements for housing in the state so that everybody has a house of their own
- **House site Pattas will be given** to the eligible poor in villages
- **New ration cards** to all the eligible families and periodically issue new ration cards
- Ensure that **quality of ration** is provided through PDS by a fool-proof mechanism that ensures prevention of diversion of the food grains

## Raithe Raju - Priority for Farmers

04.

- In addition to the **Modi Government's fertiliser subsidy** of over **₹18000/- per acre**, we will provide **₹2,500/- as input assistance** to small and marginal farmers to enable them **to procure seeds and fertilisers**.
- **Free crop insurance** to farmers through PM Fasal Bima Yojana
- **Provide Rs. 3,100 on Paddy** and required Market Intervention Fund for turmeric
- **Free Desi milk-yielding cow** will be given to willing small and marginal farmers
- We will develop a first-of-its-kind **Nizamabad Turmeric City**, leveraging on PM Sri Narendra Modi's announcement on the formation of a National Turmeric Board

06

## Mahila Shakti - Women Led Development

05.

- **Free Laptops** for College girl students
- **Aada-Bidda Barosa (New Born Girl Child): Fixed Deposit** by the Government at the time of birth of a new born girl child so that **Rs. 2,00,000** can be redeemed at the age of 21
- **4 Gas cylinders free of cost** annually to Ujjwala beneficiaries
- Women Self Help groups (**SHGs**) will be **provided loans at a nominal interest rate of 1%.**
- Formation of a **Mahila Rythu Corporation** to provide support and hand-holding to women farmers in the entire value chain from “farm to table” and “farm to fashion”
- Formation of a **Domestic Workers Corporation** to provide support, up-skilling and social security to household helps (Home Managers)
- Create **Ten lakh new jobs for women**

## Yuva Shakti - Jobs and Youth power

06.

- **Complete the entire TSPSC recruitment process in the lines of UPSC** for all government recruitment including Group-1, Group-2 in a transparent and time-bound manner of 6 months
- Government jobs including EWS quota will be filled within 6 months

## Vidya Sree - Quality Education

07.

- **Nodal schools** for mentoring and facilitation for students and teachers in every mandal
- Improve facilities in the existing **Social Welfare Residential Schools**
- **Monitoring the Fee structure** in all private schools
- Exemption of **Budget Private Schools** from commercial rates of property tax, electricity and water bills

08.

## Vaidya Shree - Access to quality Healthcare

- Coverage of **₹ 10 lakh per eligible family** per annum for secondary and tertiary care across public and private hospitals
- We will encourage **District level multi-specialty hospitals**
- Free **annual health checkups** for all economically backward residents of the state
- **Transparency in corporate hospitals** to avoid overcharging
- **Training on Cardiopulmonary resuscitation (CPR)** will be provided to police personnel, home guards, college students and other volunteers to leverage the golden hour during heart attacks

09.

## Holistic Development - Industry, Infrastructure & Amenities

- Adopt a **HIRA Model** to focus on **Highways, Infoways, Railways and Airways** in Telangana
- Expedite existing **Industrial Corridors** and initiate new Hyderabad - Vijayawada industrial corridor
- Revival of **Nizam Sugar Factory**
- Review the entire **Kaleshwaram project** holistically for benefits of farmers
- We will represent the case of Telangana legitimately in front of the **KWDT-II to get the rightful share of River Krishna waters** for Telangana
- **Complete pending projects on River Krishna**, including their uncompleted 'command area development' and also construct new projects on River Krishna
- Income Tax reimbursement for **Singareni employees**
- Focus on a **comprehensive and all round development of the Greater Hyderabad region** with respect to mobility, transportation, sewerage, drains, inundation, roads and traffic management

08

10.

## Heritage, Culture, Legacy and History

- Officially commemorate **17th September as 'Hyderabad Liberation Day'**
- **Build a memorial and museum** to ensure that the struggle and sacrifices are given due recognition
- Observe 27th August as **Razakar Horrors Remembrance Day** to pay homage to the martyrs of Bairanpally and Parkal
- Elevating **Sammakka-Sarakka Medaram Jatara** at a national level
- Free **Ram Mandir and Kashi Yatra** for Senior Citizens
- Formation of a committee on **Uniform Civil Code**

01

## *Good Governance for all; Focus on effective administration*

### 1.1 Zero Tolerance towards corruption

- **Enquiry Commission:** We will set up a committee of a Retired High Court Judge to investigate various projects commissioned in the name of development including Kaleshwaram, Dharani, Mission Bhagiratha that have seen huge cost escalations and corruption. We will publish a white paper on the corruption that has taken place in the name of development in various projects and blacklist contractors that were a part of this organised plunder. All corruption charges will be investigated and concerned contractors will be blacklisted
- **Scrutiny Mechanism:** We will set up a special mechanism to scrutinise illegal land allocations, including encroachment of temple lands and land auctions that took place during the last 10 years and ensure that injustices meted out are redressed
- **Nehru Outer Ring Road:** We will investigate the Toll, Operate and Transfer (TOT) bidding process in the Nehru Outer Ring Road project and ensure that the bid award is renegotiated
- **Abolish Dharani:** We will abolish the Dharani system which is leading to an organised land mafia taking over farmers' land. We will come up with a fool-proof system, **mee-Bhoomi**
- **Multi-channel Corruption Help-line:** For a corruption free-state, we will set-up a multi-channel system (internet, help-line and physical locations) at various levels from Panchayat to Secretariat to record complaints on corruption and ensure that a dedicated legal and law enforcement team will pursue it in a stipulated time frame

10

## 1.2 Saturation of Government of India Central Schemes

- **Nodal Ministry:** We will set up a Nodal Ministry for implementation and saturation of Government of India Central Schemes including Central Sector and Centrally Sponsored Schemes
- **Gol Scheme Saturation:** The schemes that will be saturated on mission-mode will include but are not limited to
  - ▲ PM Awas Yojana (Gramin and Urban)
  - ▲ PM SVANIDHI
  - ▲ MUDRA Yojana
  - ▲ PM Vishwa Karma Yojana
  - ▲ PM Matsya Sampada Yojana
  - ▲ PM Jan Arogya Yojana
  - ▲ PM Fasal Bima Yojana
- **Cap-Ex Project prioritisation:** Prioritise large infrastructure and Capital Projects such as Highway Programmes, Railway Projects, Mega Textile Parks, and PM Gati Shakti

## 1.3 Welfare of Employees and Pensions

- **Pay Revision Commission (PRC):** We will ensure the implementation of a regular Pay Revision Commission (PRC) for state government employees.

Going forward, we pledge to announce PRC revisions every 5 years to ensure regular and equitable adjustments. Dearness Allowance and Interim Relief will be given on-time

- **Timely Salaries:** We will ensure timely payment of salaries to employees. On the 1st of every month, salaries will be deposited into the employees' bank accounts
- **Validity of Employee Health Cards:** The current State Government has betrayed employees as many hospitals do not honour the health cards as the state government does not reimburse expenses and bills on time. We will revamp the system to benefit employees
- **Zonal System of Transfers:** We will ensure that there will be regular promotions and transfers. We will relook at GO 317 in consultation with all stakeholders
- **Contract Employee issues:** We will set up a committee to scrutinise the issues faced by Contract teachers, ASHA & ANM Workers, Arogya Sri Workers, Home Guards, Indira Kranthi Pathakam (IKP) and other out-sourced employees to arrive at a reasonable solution
- **Predictability in Pension Payments:** We will ensure that the beneficiaries' bank accounts will be credited with pension payments on the first day of every month

#### 1.4 Welfare of Overseas and Gulf Telugu Residents

- **Separate department/Ministry for Overseas Residents:** We will set up a new department/Ministry for the welfare of overseas residents of Telangana especially to those in the gulf region to extend timely logistic support in times of exigencies to ensure the safety and security of overseas residents
- **Set-up of Telangana Bhavans in Gulf Countries:** BJP on assuming power in Telangana will evaluate the set-up of Telangana Bhavans in Gulf Countries for the welfare of Telugu people. This will be done in consultation with the Govt of India
- **Health care assistance through Teleconsultation:** BJP will operationalise tele-consultation with doctors for Gulf residents through e-sanjeevani, to avail of medical advice from doctors free of cost

### 1.3 Holistic Governance

- **Reduce Petrol prices and Diesel prices in Telangana:** To bring down inflation and give respite to the common people of the state, we will reduce VAT on petrol and diesel. This will reduce Petrol prices and Diesel prices in Telangana which one of the highest in the country and bring it in line with other BJP states
- **State Capital Region:** We will create a State Capital Region in the lines of the National capital region to ensure planned and coordinated development of the suburban regions of Hyderabad
- **Panchayat Bills:** We will clear all pending bills for 13,000 Sarpanchs within 100 days of forming the government
- **Aspirational Mandals:** We will extend the Aspirational Mandal Programme to 100 new Mandals and ensure their holistic development
- **CM Dashboard:** We will launch a first-of-its-kind village-level CM Dashboard where all citizens can view the implementation status of government schemes and policies online

## *Empowering the marginalised communities; Equality before the law*

### 2.1 Inclusive Development of all communities

- **Telangana's first Chief Minister from Backward Community:** Channelizing the aspirations of the marginalised sections and providing real social justice and to take care of all the people and ensure their development, BJP will appoint Telangana's first BC Chief Minister
- **Removing religion based reservations:** We are committed to remove the unconstitutional religion based reservations in the state and reallocate it to Backward Classes (BCs), Scheduled Castes (SCs) and Scheduled Tribes (STs)
- **Special BC Development Fund:** To ensure the development and welfare of Backward classes in the state of Telangana we will ensure that:
  - ✦ State BC Commission to be given appropriate statutory backing
  - ✦ Pensions for all artisans listed in the PM Vishwa karma Yojana on the lines of Atal Pension Yojana
  - ✦ Extension of ESI facilities to Utpatti Kulalu involved in production activities and intense labour oriented works

- ▲ MBC Corporation will be revamped to guide, train, skill and finance
- ▲ Support Creation of BC CCI (Backward Classes Chamber of Commerce and Industry) to enable the creation of more self-employment opportunities
- **Saturation of PM Vishwakarma Yojana:** The PM Viswakarma Yojana will be implemented with an aim to reach maximum saturation. BJP will ensure that all 18 vocational trades that include but are not limited to carpenters, tailors, potters, masons, barbers, washermen and others can seamlessly avail of the scheme
- **Marriage Function Halls:** Marriage function halls will be constructed in every mandal and will be handed over for professional management
- **Welfare of micro-communities:** The aspirations of several castes and micro-communities across the spectrum from Vulnerable tribal groups such as Chenchus to Arya Vysyas who have been neglected due to small percentage of population will be protected

## 2.2 SC and ST Development

- **Increase Reservations commensurate with percentage:** We will ensure that the reservation provided for SCs & STs is commensurate with the population after the creation of Telangana
- **SC Sub categorisation:** BJP in Telangana will work with the Union Government to fast track SC sub categorisation in reservations to ensure that the most disadvantaged and underprivileged among the SCs are empowered
- **Path to Entrepreneurship for Safai Karamcharis:** Safai Karamcharis will be co-owners of the waste management system on the lines of Indore like successful cities
- **Filling up backlogs in Government:** We will fast track filling up of vacancies of the SC and STs

## 2.3 Social Welfare for specific Professions

- **Welfare of Beedi workers:** Beedi workers will be provided social security
- **Welfare of Gig Workers:** We will set up Telangana Gig Workers Welfare Board for the empowerment and upliftment of 5 lakh gig workers and ensure they benefit from all central government social security schemes
- **Welfare of Migrant Labour:** We will set up Migrant Labour Welfare Board, to ensure swift resolution of grievances for all Telangana residents migrating to other states

We will provide low-cost loans of up to ₹ 1 lakhs for women family members of the migrant labourers to promote income-generating activities

- **Welfare for Lawyers:** BJP will ensure the welfare of the lawyers by bringing in the Lawyers' Protection Act to prevent arbitrary attacks on the advocates by both state and non-state players and other required measures

BJP will transfer the existing ₹ 100 crore fund given to Telangana Advocates Trust to the Bar Council of Telangana and will add another ₹ 200 crores to make it a ₹ 300 crore corpus

## 2.4 Welfare of Singareni Employees

- **Wages for Contract Workers in the Collieries:** We will increase the wages of contract workers of Singareni Collieries at par with Coal India
- **Making Singareni one of the leading PSU in the country:** We will actively work on acquiring coal blocks in Telangana and other states by participating in the auction process conducted by the Coal Ministry
- **Income Tax reimbursement for Singareni employees:** BJP on assuming office, will reimburse income tax of Singareni Collieries employees

## 2.5 Welfare of Senior Citizens & Divyangjan

- **Vayo Ashrams:** We will leverage on the Government of India scheme of Atal Vayo Abhyuday Yojana (AVYAY) to build Vayo Ashrams (Old Age Homes) with good infrastructure facility, walking spaces, green cover and parks and 24X7 medical facilities
- **Ram Mandir and Kashi Yatra:** In due consideration of the fruition of a 550-year-long wait of the unveiling of a Grand Ram Mandir in Ayodhya and the rejuvenation of Kashi after more than 240 years, BJP on assuming office will organise free Ram Mandir and Kashi Yatras for Senior Citizens
- **Assistance for Specially abled:** We will provide collateral-free loans of up to ₹25 lakh at a minimal interest rate to persons with disabilities for employment and self-employment opportunities

## 2.6 Law and order

Hyderabad has become a hub for religion based radicalisation and illegal immigration. Many terrorist operations and activities have linkages to Hyderabad and to counter this, BJP promises the following:

- **Deportation of Rohingyas and Illegal immigrants:** All Rohingyas and illegal immigrants will be deported in a time-bound manner. Further, the loopholes in the process of availing Aadhar cards and passports will be plugged so that misuse is curtailed
- **Anti-Radicalisation Cell:** We will create an Anti-Radicalization Cell to identify and eliminate potential threats, and sleeper cells of terrorist organisations and anti-India forces
  - ▲ Police stations where there have been instances of radicalization in the past will be operated by specially trained personnel
  - ▲ 24X7 monitoring and awareness campaigns will be conducted with community participation

- **Uniform Civil Code:** We will create a Uniform Civil Code Committee to prepare an implementation roadmap to bring in the Uniform Civil Code across the state of Telangana. A Committee of experts will be set-up to examine the relevant laws regulating personal civil matters of the residents of Telangana and to prepare draft law/laws or suggest changes in existing laws on the subject that includes marriage, divorce, property rights, succession /inheritance, adoption, maintenance, custody and guardianship. Government will bring in a law that will prohibit the practice of polygamy and polyandry amongst public servants
- **Grooming:** BJP on assuming office will take adequate measures to control the increasing cases of targeted Grooming by creating robust mechanisms at a community level both in villages and cities. The perpetrators of grooming will be meted out with severe punishment

## ***Koodu-Goodu: Food and Housing Security***

### **3.1 Public Distribution System**

- **Issue of Ration cards:** We will give new ration cards to all the eligible families. Further, we will periodically issue new ration cards and provide easy options to register online or at ration shops at any point of time
- **Quality Ration:** Ensure that quality of ration is provided through PDS by a fool-proof mechanism that ensures prevention of diversion of the food grains

### **3.2 Houses**

- **Housing for all:** The BJP, on assuming office, will construct houses for all homeless leveraging the funds allocated under PM Awas Yojana programme. The current Government has not availed of the PMAY- Garmin to benefit the rural homeless and BJP on assuming office will leverage the rural housing scheme
- **House Site Pattas for the poor:** House site Pattas will be given to the eligible poor in rural areas.
- **Support for house construction:** We will provide incentives for those building houses on their own land

## *Raithe Raju - Priority for Farmers*

### 4.1 Farmer Welfare

- **Fertiliser to Farmers:** In spite of the skyrocketing international prices of fertilisers, the Modi Government has been providing over ₹ 18,000 in the form of fertiliser subsidies per acre

As a result, farmers pay a nominal price upto ₹ 4,000 per year per acre on Fertilisers (₹ 267 per bag of Urea and Rs. 1,311 per bag of DAP)

**We will provide ₹2,500/- as input assistance to small and marginal farmers to enable them to procure seeds and fertilisers.** This will especially benefit farmers who are actual cultivators of crops. Thus, tenant farmers will be the ones who will benefit immensely from this intervention

- **Free Crop Insurance:** The state government will implement Pradhan Mantri Fasal Bima Yojana in the state and will also pay the premium for farmers under the Fasal Bima Yojana. It will also extend additional support in case of crop losses due to factors such as excessive rains, drought, or unfavourable

weather conditions. Specifically in the event of crop loss, whether due to excessive rains, inadequate rainfall, or adverse weather, the government will provide compensation as per scale of finance with a minimum of Rs. 15,000 to affected farmers

- **MSP Bonus:** We will provide ₹ 3,100 MSP on paddy to ensure that farmers get maximum benefits

A reasonable bonus above MSP will also be provided to Millet farmers of Jowar, Bajra, Korra and Ragi to promote the cultivation of Millets in line with the Prime Minister's agenda

We will procure Minor Forest Produce from all willing tribals at MSP

- **Market Intervention Fund:** We will introduce a market intervention fund to provide justice to farmers of turmeric
- **Market Opportunities for Farmers:** We will create 1,000 new FPOs in the next five years. This will increase the market opportunities for farmers and competitiveness among the farmers
- **Mechanisation Support:** Farmers will be incentivised on the acquisition of drip irrigation systems, implants, tractors and other mechanised equipment including drones
- **50% Seed subsidy:** We are dedicated to enacting specialised legislation to take stringent measures against counterfeit seeds. Furthermore, our government will actively distribute high-quality seeds with a substantial 50% subsidy
- **Seed banks:** "Traditional Seed Banks" will be established to preserve and distribute traditional paddy and millet grains to organic farmers at subsidised rates
- **Agriculture Supply Chains:** We will develop agriculture supply chains – Modernise agriculture market yards, cold storages, paddy warehouses, fruits and vegetables processing centres, meat (sheep and goat) processing centres, sorting, and grading units, primary processing centres to benefit farmers of the state
  - **Cold Storages and Godowns:** We pledge to construct godowns

or cold storage facilities tailored to the local agricultural needs, and entrust their management to farmer groups by forming village clusters

- **Organic and Natural Farming Policy:** A new dedicated policy for Organic and Natural Farming that is specific to the needs and suitability of the state, especially for horticulture, vegetables and spices will be formulated. A specific Telangana branded Organic Shops/Stores will be established to trade Organic Produce and ensure remunerative market prices are realised
- **Rythu Samridhhi Kendras:** We will set up Rythu Samridhhi Kendras, one in every Gram Panchayat as a one-stop centre for all agricultural needs of the farmers, on the lines of PM Kisan Samridhhi Kendras
- **Essential inputs and services for farmers:** We will fill up all 800 vacancies of Agriculture Extension Officers positions to bridge the knowledge and technology gap in farming
- **Shree Anna Processing Centres and Outlets:** We will establish 4 Shree Anna Processing Centres in Khammam, Warangal, Asifabad and Bhupalpally to double millet exports by 2028

We will set up 50 dedicated Shree Anna outlets in all major urban centres for selling and promoting millet-based products

- **Promotion of Traditional Beverages:** We will promote Ragi Ambali, a millet-based traditional drink, as the state drink of Telangana
- **Cotton Specific Interventions:** We will facilitate the setting up of new cotton ginning mills by providing subsidised loans with the aim of doubling cotton processing capacity

We will launch the Cotton Pink BollWorm Management Mission to equip cotton farmers with technology and resources against pest attacks

- **First Turmeric City of Telangana:** We will develop a first-of-its-kind Nizamabad Turmeric City, leveraging on PM Sri Narendra Modi's announcement on the formation of a National Turmeric Board, by establishing state-of-the-art processing centres and export promotion units to make Nizamabad the biggest turmeric value chain cluster in India

We will strive for a GI tag for the Armour variety turmeric of Telangana

- **Establishment of Processing Centres, Clusters and Food Parks:**

- ▲ **Palm:** We will notify oil palm cultivation zones and initiate setting up processing units in the clusters of Khammam, Kottagudem and Suryapet

- ▲ **Chillies:** We will set up chilli storage and processing units in old Warangal and Khammam districts with an aim to double chilli export

We will ensure Warangal Teja Chilli, also known as Chatpata Chilli, is given a GI tag

We will establish 3 new Mega Food Parks for chillies in Warangal, soyabean in Adilabad, and fruits and vegetables in Rangareddy districts

- ▲ **Mango:** We will promote 3 Mango Food Chain Clusters in Nagarkurnool, Khammam and Jagtial

- **Accessible and Affordable Travel for Farmers:** We will introduce special feeder buses, Rythu Vahanalu, from every gram panchayat to the nearest urban markets to facilitate affordable transportation of horticulture produce

- **Mission Bathukamma:** We will launch the Mission Bathukamma to double flower cultivation in Telangana and increase the income avenues of farmers

We will set up Flower Processing Centers in Rangareddy, Nalgonda, Warangal and Khammam, to tap into flower-based products markets

- **Welfare of Podu Farmers:** We will resolve the Podu lands issue and allocate pattas to all Podu farmers

## 4.2 Animal Husbandry

- **District Level Cooperative Dairy Farms:** To foster the growth of the dairy sector, we will promote Cooperative Dairy Farms in every district

- **Co-operative brand for value addition :** Dairy Producers will be facilitated to sell value added dairy products such as ghee, curd, milk-shakes under a co-operative brand

- **Indigenous breeds:** Leveraging the Government of India's Rashtriya Gokul Mission, we will give subsidies for production of indigenous breeds

- **Holistic Livestock Policy for Goat and Sheep rearing:** To ensure that the farmers rearing livestock are getting remunerative prices, all necessary support will be provided
- **Development of Inland Fisheries:** We will develop Telangana as an inland fisheries hub of India by setting up 10 Inland Fisheries Clusters in Krishna and Godavari river basins, equipped with processing and marketing units
- **Boosting Sericulture:** We will launch Telangana Silk Samagra, a comprehensive sericulture policy, to significantly increase the annual silk output of Telangana
- **Increasing Apiculture:** We will provide subsidy for training in honey making under the National Beekeeping and Honey Mission and will develop Honey Corridors in Vikarabad, Adilabad and Nalgonda
- **Mandal Level Veterinary Clinics:** We will establish state-of-the-art veterinary clinic in every Mandal to ensure accessible animal healthcare

05

## ***Mahila Shakti - Women Led Development***

- **Free laptops for College going girls:** Free laptops will be provided for girl students who are entering undergraduate degree or professional college courses
- **Nominal Interest loans for Self Help Groups (SHG):** We will give Women SHGs (like DWCRA Communities) loans at a nominal interest rate of 1% and foster their economic growth  
  
DWCRA women will also benefit from a ₹ 5 lakh insurance policy
- **Separate SHG Brand:** Adequate training and marketing support will be provided to women self-help groups to produce various items and market these items under a separate SHG brand
- **Ujjwala beneficiaries:** The government is committed to providing 4 free gas cylinders per year to every Ujjwala beneficiary
- **Women safety:** We will expand the presence of all-women police stations and strengthen laws to enhance the protection of women in our society
- **10 Lakh new jobs for women:** We will create 10 lakh new jobs for women in government and non-government sectors in 5 years
- **Aada Bidda Barosa (Benefit for the new born Girl Child):** Government will pay premium for the newborn girl child so that they will receive Rs. 1 Lakh at the end of 18 years and an additional Rs 1 Lakh at the end of 21 years
- **Mahila Rythu Corporation:** Formation of a Mahila Rythu Corporation to provide support and hand-holding to women farmers in the entire food value chain from farm to table and farm to fashion
- **Domestic Workers Corporation:** Formation of a Domestic Workers Corporation to provide support, up-skilling and social security to household helps (Home managers)

- **Gender Budget Statement for women:** We will implement a long-due Gender Budget Statement for women in Telangana, thereby prioritising expenditures for women welfare
- **Swift Dispensation of Justice:** We will set up 33 Fast-Track Courts to provide justice to women in POCSO cases where Telangana has a disproportionately high number of cases relating to women's issues like rape, harassment, dowry and other serious crimes
- **Women in Defence Services:** We will set up a Mahila Sainik School in the state to encourage more girls to join the armed and police forces

## *Yuva Shakti - Jobs and Youth power*

### 6.1 Niyamakaalu (Jobs)

- **Recruitments including TSPSC:** We will conduct the State Recruitment exams in a transparent and time-bound manner in the lines of the Union Public Service Commission (UPSC). Our promise is to finish the entire recruitment process for Group-1 and Group-2 from conducting examinations to handing over appointment letters in 6 months

In the recruitment of state government positions, our commitment is to maintain a transparent process devoid of corruption, irregularities, or undue recommendations

- **100% saturation of GoI Skill Development Schemes:** We will strive for maximum saturation of all Skill Development and Entrepreneurship Schemes of the Government of India. We will establish skill development centres based on the demand of companies from various sectors
- **Interface with the Private sector:** To streamline job placements, we will establish a state-wide unemployment registry and link this with the skill development programmes to ensure that job seekers take up skilling programs in line with the demand and needs of the private sector

- **Filling job vacancies at the earliest:** All Government job openings including EWS quota will be filled at the earliest with regular notifications. We promise to transparently fill positions regularly, much like the successful filling up of over 6,00,000 job vacancies through the PM Rozgar Mela under the leadership of Prime Minister Narendra Modi

We promise that no government job will be vacant for more than 6 months by creating a job calendar and synchronising anticipated retirements with new job notifications

## 6.2 Free Telangana youth from the clutches of Liquor and drug addiction

- **Liquor:** In the incumbent government's desperation to boost revenue the state has resorted to an Ultra-liberal liquor policy that has resulted in liquor related deaths, several health and medical issues amongst the youth, increased domestic violence against women, financial ruin of families and an addiction problem in the state

A massive awareness campaign will be launched for this purpose and specific interventions will include:

- ▲ 100% eradication of belt shops and permit rooms at liquor shops
  - ▲ An additional Alcohol duty that will be used to fund compulsory warning messages on liquor bottles and in public places similar to cigarette packet warnings to educate public on harmful consumption of liquor
  - ▲ Mandated public messaging by all liquor companies and brewery licence holders
  - ▲ Regulating the operational hours of Alcohol outlets
  - ▲ Distilleries and brewery licences will be regulated and rationalised
  - ▲ Gram Sabha with minimum 70% women attendance to decide on setting up liquor shops in villages
- We will work with the Government of India's expertise and leverage campaigns to ensure that the youth of the state are protected from the lure of drugs and make the state a **drug free state**

## 6.2 Nurturing Sporting Talent

- **Sports Policy:** We will introduce Telangana Sports Policy 2024 to lay out a roadmap to increase the participation of youth and improve sports infrastructure at the village level
- **Sports Complexes:** We will build five modern, state-of-the-art sports complexes in badminton, cricket, hockey, athletics and football across the state to provide a world-class infrastructure ecosystem for our youth and budding sportspersons
- **Focus on Olympics:** We will launch Telangana Olympics Gold Quest Mission to increase the state's representation at the international level by 2028

## Vidya Sree - Quality Education

- **Enhanced Budgetary allocations:** The BJP Government in Telangana will ensure that the Education budget will be increased commensurate with the needs of the state and there will be no shortage of funds for infrastructure and salaries
- **Implementing the National Education Policy:** The Government of India's National Education Policy will be implemented in its entirety and roll-out timelines will be adhered to
- **Gross Enrolment in School Education:** We will strive to ensure that Gross Enrolment Ratio will be 100% in all districts
- **Gross Enrolment Ratio in Higher education:** We will work to increase the gross enrolment ratio (GER) of higher education in the State from 36% to 50% in the next 5 years through structured incentives, fee reimbursements and encouraging women enrolment
- **Recognising traditional Universities of Telangana:** In recognition of the contribution of Universities in the Telangana agitation and the role of the students, the BJP on assumption of office, would unleash this energy by creating a one time grant for enhancing infrastructure and recurring grant for research to Osmania University and all other State Universities
- **Rani Rudramma Mahila University:** BJP is committed to have a functional Mahila University in due consideration of the fact that the Telangana Women's University is currently established only on paper without according any facilities or funding
- **Quality of Government Schools:** Standards, infrastructure and teaching methods of Government schools will be improved. To ensure this,
  - ▲ In line with the National Education Policy, a pupil-teacher ratio (PTR) of under 30:1 will be ensured at the level of each school; areas having large numbers of socio-economically disadvantaged students will aim

for a PTR of under 25:1

- ▲ Quality of teaching methodologies shall be continuously monitored and regular training will be provided so that they can leverage new technologies while imparting education
- ▲ Smart classrooms will be enabled by facilitating digital education tools in all Government schools
- ▲ Syllabus will be enriched and upgraded on par with CBSE syllabus focusing on skill development
- **Appointment of Teachers with a DSC Drive:** We will conduct a DSC (District Selection Committee) drive, inducting more than 20,000 teachers to ensure that every government school has adequate teachers
- **Nodal Schools:** On assumption of office, the BJP promises to set-up a nodal school for each mandal which will have good facilities which will be available to students and teachers of all other schools  
The nodal school will do hand-holding and capacity building of teachers
- **Budget Private Schools:** Exemption of Budget Private Schools from commercial property tax, electricity and water bills and make them on par with domestic consumers rates
- **Overhauling Social Welfare Residential Schools:** The Telangana Social Welfare Schools with 1,000+ institutions provide education to more than 10 Lakh students. However, there is a complete lack of infrastructural facilities and both students and teachers are facing hardships and are forced to study / impart education in a cramped environment. Several instances of food poisoning have also been reported  
BJP government will revamp and improve the facilities and outcomes of Social Welfare Residential Schools
- **Fee Regulation of Private Schools:** We will moderate the fee structure according to the facilities and quality of education in all private schools across Telangana

- **Clean Toilets:** Cleanliness of Toilets will be ensured by outsourcing this work to professional cleaning agencies in the Sulabh Model. Further, mechanised cleaning equipment will be used to ensure that all school toilets can be maintained hygienically
- **Education for Divyangjan who are differently abled:** Braille Education will be upgraded on par with other methods of education. Easy availability of sound cards, pod-cast based technology devices and Braille posts that are visually challenged friendly will be ensured.

Similarly all schools will be made accessible and friendly to those who are differently abled

- **Leveraging Gol funds for Hostels:** Hostels used by SC, ST and BC students will be upgraded and government assistance amounts will be increased. Wherever possible Government of India schemes for setting up of hostels such as Pradhan Mantri Anusuchit Jaati Abhyuday Yojna (PM-AJAY) etc will be leveraged
- **Time-bound appointments:** The administration of Schools and Higher Education Institutes have been subjected to gross neglect and many universities did not have Vice Chancellors for a protracted period of time. To ensure better administration in Schools and Higher Educational Institutes (HEIs) a transparent and time-bound appointment process will be formulated for School Administration and University Vice Chancellors to strengthen the system across the state
- **One Time Settlement of pending fee reimbursement:** As fee reimbursement has been neglected in Telangana leading to the deterioration of the financial status and quality of many educational institutions, BJP Government will ensure speedy resolution to the problem
- **Libraries for Aspiring Students:** We will establish 100 CM Libraries equipped with reading room facilities, free high-speed internet and all relevant study materials for competitive exams

## *Vaidya Sree - Holistic approach to Health*

The BJP commits to ensure that public health centres across the state are adequately staffed with doctors and other essential personnel, eliminating shortages and providing predictability in availability of services

- **Doctors:** We will improve facilities in PHCs by ensuring the availability of doctors and support staff. We will ensure that a General Practitioner is available in all PHCs and Basti Dawakhana
- **Medicines:** We will provide medications at subsidised costs at the Pradhan Mantri Jan Aushadhi Kendras and ensure that 500 more new Jan Aushadhi Kendras are set-up in the state
- **Renovation of established Hospitals:** We will renovate the neglected Gandhi, Osmania, Fever, and Niloufer super speciality hospitals
- **Multi-specialty Hospitals:** BJP, on assumption of office, will strengthen medical infrastructure and ensure that each district will have the required multi-specialty hospital
- **New medical research university/college and hospitals:** We will establish TIMS (Telangana Institute of Medical Sciences) super speciality hospitals in

Adilabad, Warangal, Mahabubnagar and Medak on the lines of AIIMS

We will collaborate with the central government to construct 4 new ESI hospitals to benefit the working class

- **Medical Needs of Tribal Communities:** We will establish well-equipped 100-bed hospitals in Devarakonda (Nalgonda), Ashwaraopet (Kothagudem), Pinapaka (Kothagudem), Neredigonda (Adilabad), Khanapur (Adilabad), Narayankhed (Sangareddy) and Andole (Medak) to serve tribal villages

We will set up 100 new Primary Health Care centres across the tribal-dominated districts, to address the shortage of PHCs in Tribal areas

- **Insurance:** We will provide a coverage of ₹ 10 lakh per family per annum to all eligible families for secondary and tertiary care across public and private hospitals.
- **Health-screenings:** We will initiate free periodic (annual) health checkups for all Economically backward residents of the state while others will be able to avail of this at cost. This will enable us to establish a comprehensive citizen health profile to better understand and address their healthcare needs
- **Leveraging the golden-hour for heart attacks:** training on Cardiopulmonary resuscitation (CPR) will be provided to police personnel, home guards, college students and other volunteers to leverage the golden-hour for heart attacks

Moreover, Automatic External Defibrillators (AEDs) will be mandated to be set-up in public places such as gymnasiums, parks and other places with clear instructions and training to people in charge of the premise so that they can use AEDs effectively

- **Trauma Centers:** To ensure immediate attention to those having met with accidents on highways, the BJP on assuming office, will encourage more Trauma Centres on state and national highways
- **Transparency in Corporate Hospitals:** BJP is committed to bring out transparency in corporate hospitals in an effort to curb complaints about overcharging

- **Combating anaemia especially among women:** Availability of Nutraceuticals to combat anaemia and other medical conditions that commonly ail pregnant women as a part of Anganwadis through ASHA workers. Also cast iron cooking equipment will be provided free of cost for pregnant women
- **Young Women with Polycystic Ovarian Disease/Syndrome (PCOD / PCOS):** BJP is cognisant of the fact that girls in their adolescence and young adults are facing PCOD/PCOS problems which have far-reaching implications on the future of their wellness. BJP will address these issues holistically through Lifestyle interventions, promoting scientific weight loss measures and medications
- **Blood banks:** Blood banks will be encouraged at all government area hospitals in the state to ensure availability and transportation
- **Teleconsultation:** We will ensure that people can access quality health services at their fingertips through the scaling up of Tele-Consultation including Tele-Counseling and Tele-Therapy. Tele medicine centres will be set up to provide healthcare accessibility and medical needs in rural and distant areas
- **Mobile Medical Units:** We will start 50 Tribal Aarogya Mitras, mobile medical units called to ensure quality medical services in tribal-dominated areas

## ***Holistic and Decentralised Development***

BJP, on assumption of office, will ensure all round development of the state by leveraging its traditional strengths such as Pharma, Medical Services, Textiles, Defence Production and manufacturing and provide a holistic and transformative roadmap to realise this

### **9.1 Industry**

- **Industrial Corridors:** The BJP, on assuming office, will give the necessary focus and expedite the development of National Industrial Corridors of Hyderabad-Nagpur Industrial Corridor (HNIC), Hyderabad-Bengaluru Industrial Corridor (HBIC) and Hyderabad-Warangal Industrial Corridor (HWIC) in mission mode and expand the current phases

We will also create a new Hyderabad - Vijayawada industrial corridor as a part of the National Industrial Corridor programme

- **Fostering a favourable investment climate:** We will ensure simplification of permits, licences and inspections through a faceless, and presenceless digital single window system to enhance the ease of doing business. This will create job opportunities as well as encourage the youth
- **Gol's Production Linked Incentives (PLI) Scheme:** We will ensure maximum benefit of the Government of India's Production Linked incentives (PLI) to companies and manufacturing units in Telangana
- **Global Telangana Summit:** We will organise Global Telangana Summit every year to create more jobs, invite new investments and make sure that many companies will be set-up in Telangana
- **Telangana as a Leader in Services Exports:** BJP, on assumption of office, will strive to make Telangana one of the leading states for service exports including IT services and Medical Value Travel

- **Revival of Nizam Sugar Factory:** The BJP, on assumption of office, will reopen the Nizam Sugar factory and also set-up a bio-ethanol plant in line with the National Policy on Biofuels
- **Special Focus on Sectors:** We will focus on 6 sectors primarily (3 from Industrial Sector and 3 from Service Sector) and they are:
  - ▲ Textile and Garments Industry
  - ▲ Pharmaceutical Industry
  - ▲ Green Energy
  - ▲ Tourism & Hospitality Services
  - ▲ Medical Value Travel (Medical Tourism)
  - ▲ IT Services
- **Textile and Garments Industry:** We will encourage and foster growth of the PM Mitra Kakatiya Mega Textile Park  
We will establish 4 new Textile Parks in Pochampally, Gadwal, Narayanpet, and Asifabad
- **Chip Manufacturing Unit:** We will strive to set-up a chip manufacturing Unit in line with the Government of India's Semicon India programme . The focus will be on 180nm chips, where there is sizable global demand and gradually upgrade to lower nodes

## 9.2 Infrastructure Development - HIRA Model in Telangana

The BJP will give a dedicated thrust to infrastructure in the state. We will adopt a HIRA Model of focus on Highways, Infoways, Railways and Airways in Telangana

- **Expedite pending road and rail projects:** Pending state share and land acquisitions will be completed on mission-mode in all Government of India projects ensuring the execution of 4,000 Kilometres of Roads and 1,300 kilometres of Railway lines in Telangana
- **Regional Ring Road and Outer Ring Rail:** Support Government of India's infrastructure push by expediting land acquisition for the Regional Ring Road and Outer Ring Rail Project

- **Pending Metro Rail project:** BJP, on assumption of office will expedite the Hyderabad Metro Project in the Old City region that has been pending due to political pressure
- **UDAN Airports in Telangana:** Work with Government of India and support the UDAN Scheme's effort to enhance connectivity by expediting the operationalisation of the airports of Mamanoor, Adilabad and Jakranpally
- **Gramin, Mandal and Rural Roads:** A comprehensive road development plan will be unveiled by constructing pucca roads connecting mandal headquarters and rural areas
- **Dry port:** Leveraging on the PM Gati Shakti initiative, dry port with multi-modal logistics park will be developed on a public-private-partnership in suitable locations within the state
- **Sustainable construction:** Create a plan to build roads out of the waste of single use plastics and other materials to encourage the circular economy

### 9.3 Electricity Sector - Green Telangana, Clean Telangana Powering Telangana's Development

- **Reducing Telangana's Power Bill:** We will enable Telangana consumers to become smart consumers through energy efficient devices and demand response programs and making electricity consumers a part of the digital revolution of the Power sector. To ensure this we will distribute LED bulbs and BLDC Fans to every ration card holder at heavily subsidised rates to emphasise energy conservation
- **Improving financial health of Power sector:** The financial health of the DISCOMs has had a ripple effect on the upstream power value chain of TRANSCOs and GENCOs. Out of 51 DISCOMs across India, Telangana DISCOMs are ranked at 43 and 47

The BJP, on assuming office, will improve the financial health of the power sector.

- **Transition to Green Energy:** The BJP, if elected will do the following to ensure a more sustainable energy operating framework
  - ▲ Enabling more green power generation by doubling the current installed capacity of Solar power in Telangana to 10,000 MW from the current ~5000 MW
  - ▲ Barren lands will be utilised for Solar power generation by installing solar panels
  - ▲ Solar Power for houses scheme will be implemented with 30% subsidy provided by the Central Government
  - ▲ Solar Panels will be installed on the rooftops of all Government offices, municipality and Panchayat offices
  - ▲ Leverage the Green Hydrogen Mission incentives
- **Electric Vehicle Ecosystem:** BJP, on assumption of office, will bring more electric vehicles (2-wheeler, 3-wheeler and 4-wheelers) onto the grid and make them smart consumers and reduce air pollution
  - ▲ Incentivise existing apartment complexes, Gated communities and commercial Properties to set-up EV charging infrastructure
  - ▲ Integrate set-up of EV charging infrastructure into new building plans as a part of approval process
  - ▲ Mandate Green delivery in last-mile delivery ecosystem such as Swiggy, Zomato and Amazon etc
- **Farmers as Electricity Producers and Entrepreneurs:** Farmers, cooperatives and FPOs will be incentivized to set-up solar energy-based power plants of capacity 500 kW to 2 MW through existing Union Government's PM KUSUM Scheme and with top-up subsidy from state government  
Individual farmers will also be supported to switch to install solar Agriculture pumps by increasing the state subsidy share from 30% to 50%
- **Virtual Power Plants and Smart metering:** We will bring in fresh policies such as Virtual power plants to enable households to generate and sell power generated from solar power to the grid and to offset their consumption and reduce their electricity bills

## 9.4 Environment

- **Sand Mining Policy:** Strict actions will be taken against those who are involved in illegal sand mining under the guise of government projects and against the officials who are helping illegal sand mining. We will bring a New Sand Mining Policy to prevent the erosion of riverbeds
- **Other Illegal Mining:** BJP, on assumption of office, will create a sustainable mining policy and will curtail illegal black granite and other forms of mining

## 9.5 Neellu (Irrigation and Water)

- **Water Tribunal:** Govt. of India has issued a gazette notification by giving new terms of reference under section-3 of Interstate River Water Disputes Act (ISRWD) of 1956 to Krishna Water Disputes Tribunal (KWDT-II) to reallocate the waters of Krishna River between Telangana and Andhra Pradesh

We will take all possible measures to represent the case of Telangana legitimately in front of the KWDT-II to get the rightful share of River Krishna waters to Telangana

- **Safety of Kaleshwaram Lift Irrigation:** With the recent findings of National Dam Safety Authority (NDSA) on the technical flaws in Kaleshwaram project (Medigadda, Annaram and Sundilla barrages), we will take necessary steps in consultation with the Central Water Commission (CWC) to ensure maximum benefits to the farmers and also to the people of the state at large
- **Effective Utilisation of Godavari Rivers:** We will ensure prudent utilisation of the River Godavari waters by constructing series of dams/barrages on River Godavari with step-ladder approach thereby turning the whole river into a reservoir. We will work on facilitating navigation for sea going vessels into the land locked Telangana on River Godavari
- **Pending and New Irrigation Projects:** We will complete all the pending projects on River Krishna (including their uncompleted 'command area development' under these projects) and also construct new projects on River Krishna to properly utilise the additional water contemplated from the tribunal for the drought prone areas of South Telangana

- **Interlinking of rivers:** We will interlink the Godavari and Krishna as per the National Plan
- **Conserving Groundwater Levels:** We will come up with a comprehensive plan to increase groundwater levels. We will prepare and implement irrigation and drinking water security plans at three levels - village, mandal and district, by accounting for both surface water and groundwater resources
- **Eco-friendly development of Hyderabad:** We will ensure the eco-friendly development of Hyderabad by comprehensively rejuvenating Musi River and bringing the river back to its natural state including removing pollutants, cleaning up riverbed, restoring the natural environment around the river and reviving the rural economy that is dependent on this river

We will also implement a comprehensive plan to restore the diminishing tanks, ponds and river bodies in and around Hyderabad city, implement holistic plans to ease out the stormwater drainage issues plaguing the city

- **100% access to drinking water for all:** We will saturate the Har Ghar Jal Mission to ensure that clean potable drinking water by tap is available across the state
- **Complete overhaul of Mission Bhagiratha:** Existing poor quality construction in Mission Bhagiratha is leading to frequent pipeline damages and leakages in drinking water supply. This will be repaired on priority across the state

## 9.6 GHMC and all Municipal Corporations

We will focus on a comprehensive and all round development of the Greater Hyderabad region with respect to mobility, transportation, sewerage, drains, inundation, roads and traffic management in due recognition of the existing inconveniences faced by residents of the city

- **All round development of Hyderabad:** We will work towards transforming Hyderabad into a truly cosmopolitan city with quality all-weather roads, adequate sewerage and drainage and all round development across the city rather than a few pockets

- **Identification and immediate relief to waterlogging prone colonies:** Relief will be provided to those colonies that are prone to flooding and waterlogging. Such colonies will be identified based on past records and several measures including construction of proper drainages and bunds will be done
- **Regular maintenance of drains:** IN due cognisance of many deaths due to open drains, we will ensure desilting of drains will be initiated using modern technologies such as CCTV Drain Surveys and Jet Vacuuming to stop manual scavenging.
- **Simplify Property Tax assessments:** We will simplify property tax Assessments so that Property tax can be paid easily and the GHMC can be strengthened financially by recovering pending dues
- **Integrated Building Approval:** A single window system will be brought into the state for getting clearances, licences and approvals for construction of buildings including mandates for Electronic Vehicle charging, Solar panels and rainwater harvesting
- **Solid Waste Management:** The Jawahar Nagar trash dump that stands at 614 Metres above Sea Level (MSL) shows the challenges in processing 7,000 metric tonnes of waste per day that is getting generated. To combat this Solid waste management projects will be implemented in the state completely with the following elements:
  - ▲ Segregate waste at source
  - ▲ Door to door collection of waste
  - ▲ Strategy to Recycle and Reuse
  - ▲ Waste to Energy Plants
  - ▲ Decentralised disposal of waste
- **Sewage Treatment Plants:** Sewage treatment plants will be established in all Municipal Corporations cities to ensure 100% treatment of waste and prevent contamination of water bodies
- **Affordable and reliable Urban Mobility:** We will rationalise RTC Bus, Metro rail and MMTS Ticket charges to ensure affordable travel for all and at the same time ensure that these services are regular and reliable and in the process contribute to ease in traffic and road congestion

### 10.1 Resetting the Narrative of Telangana's History

Under the Qutub Shahi and even more so in the later Nizam rule, Telangana culture, Telangana identity, and the Telangana language of Telugu, were subjected to tremendous marginalisation. The Union Government's decision to celebrate Hyderabad Liberation Day has led to opposition parties, driven by the politics of minority appeasement, to hatch a conspiracy to undermine the importance of the Liberation.

The current dispensation is officially celebrating September 17th as Hyderabad Integration Day. The usage of the term "integration" instead of "liberation" was done to portray this historic event on par with the integration of 562 other princely states when in reality the efforts taken by Sardar Patel in liberating Hyderabad were substantially more and included the use of armed forces.

This therefore undermines the valour, courage and sacrifice of the martyrs who fought relentlessly for the liberation of Telangana. This decision also undermines the efforts made by Sardar Patel in securing the liberation of Telangana.

BJP, on assumption of office, in Telangana promises:

- **Memorial and museum and Hyderabad Liberation Day:** BJP, on assumption of office, in Telangana promises to build a memorial and museum to ensure that the struggle and sacrifices made during the liberation of Hyderabad are given due recognition.
- **Holistic celebration of Hyderabad Liberation Day:** We will ensure that the Hyderabad Liberation Day will be commemorated officially on September 17th. Celebrations will be held across districts with arts, crafts and cultural elements to revisit the timelines and engage the youth to know more about the sacrifices made during that time. We will also include the history of Liberation of Hyderabad in the school syllabi

- **Yearly commemorations of leaders:** The contributions of leaders such as Sarvai Papanna Goud, Ramji Gond, Komram Bheem, Vande Mataram Ramachandra Rao, Swami Ramanand Teertha, Doddi Komurayya, Krishnaswamy Mudiraj, Konda Laxman Babuji, Shoebullah Khan and many others who fought against the tyranny and oppression of occupation forces including the Nizam will be disseminated widely
- **Razakars Horrors Remembrance day:** We will observe August 27th as Razakars Horrors Remembrance Day in the lines of 'Partition Horrors Remembrance Day' declared by the Prime Minister to pay homage to the martyrs of Bairanpally and Parkal

## 10.2 Restoring Telangana's Heritage and Culture

We will promote the diverse cultural heritage of Telangana and reinforce our cultural and spiritual traditions that have brought us together. To this effect, the following will be done

- **Rejuvenating Temple Amenities:** BJP will encourage rejuvenation of temples across the state

We will develop Sri Ramabhadra Corridor as a first in Telangana to transform pilgrims' experience of the Bhadrachalam temple town

We will renovate prominent temples like Mallanna temple (Komuruvelli), Kurumurthy temple (Devarakadra), Aadi Jambhava mutt (Kolanupaka), Matha Manikeshwari temple (Narayanpet) and Chenna Keshava Swamy temple (Gangapuram)

- **Theme based Tourism Destinations:** We will promote thematic tourism on the lines of the Swadesh Darshan Scheme
  - ▲ Fort Circuit: Warangal Fort, Rachakonda Fort, Golkonda Fort, Nizamabad Fort, and Domakonda Fort
  - ▲ Eco-Tourism Circuit: Along the eastern side of Telangana encompassing the Kawal Wildlife Sanctuary (WLS), Bhupalpally WLS, Kinnerasani WLS, and Amrabad WLS

- ▲ Riverine Circuit: Krishna and Godavari River circuits along major irrigation projects
- **MICE Tourism in Telangana:** We will promote MICE tourism by constructing five world-class Kakatiya Convention Centres in Warangal, Karimnagar, Khammam, Mahabubnagar and Nizamabad with state-of-the-art facilities for business travel
- **Archaka Salaries:** The Dhupa Deepa Naivedya scheme is currently implemented in about 7,000 temples across Telangana where archakas are paid a salary of Rs. 10,000 and funds provided for daily prayers. This will be extended to all other temples across the state Archakas
- **Telangana Samskrutika Mahotsavam :** We will conduct Kakatiya Utsavalu in all the districts of Telangana to celebrate the contribution of the Kakatiyas in the tangible and intangible cultural domains including special funds to promote Perini Natyam, Burrakatha, Oggu katha, etc.
- **New Performing Arts Centres:** We will set up 4 Nataraja Ramakrishna Centres for Performing Arts in Warangal, Nizamabad, Nalgonda, and Mahabubnagar to promote theatre, dance, music, folk art etc.
- **Telangana Janapadam:** a special Center in each district to promote Telangana folklore and local traditions and integrate them with new technologies so that they continue to be patronised by the youth and upcoming generations
- **Pensions for Folk artists:** Pension and Hand-holding of various traditional artists and folk artists that include but are not limited to Yakshaganam, Perini Sivatanavam, Oggu Katha, Dappu and other artists

### 10.3 Elevating Sammakka-Sarakka at a national level

The mother and daughter of Sammakka and Saralamma (commonly known as Sarakka) are believed to be manifestations of Adi Parashakti sent to protect the tribal communities of Telangana. In their honour, the Sammakka Sarakka Medaram Jathara is held once in 2 years in Medaram, Mulugu district, Telangana

Today, by virtue of them attaining divinity they are looked upon as Goddesses across Telangana. Within Telangana, Sammakka-Sarakka invokes a sense of devotion in the mind of every Hindu irrespective of caste and creed cutting across generations. Their acceptance and following transcends caste and community barriers across the Hindu community

We will completely transform the Sammakka Sarakka Temple complex with devotee amenities and other facilities

### 10.4 Action against Cow Slaughter

**A complete ban on cow slaughter** will be implemented in the state as per Article 48 of the Constitution of India. To ensure its implementation, the following will be done:

- Government will encourage Goshalas, Bull breeders and Desi cow dairy farms, etc.
- Any willing farmer who wishes to possess a cow shall be provided a healthy milk-yielding cow in tie-up with local Goshalas based on availability
- Establish an institution including Gau Shalas at such places as may be deemed necessary for taking care of the cattle to be sent thereto.
- Offenders found guilty will attract punishment with imprisonment not less than three years but may be extended to seven years or with a minimum fine of fifty thousand rupees per cattle but which may extend to five lakh rupees or with both through an act similar to The Karnataka Prevention of Slaughter and Preservation of Cattle Act, 2020)

## **25 highlights of the 10 point (dasha) action plan to transform Telangana in the direction (disha) towards progress**

1. a) Determined to officially commemorate Hyderabad Liberation Day on September 17th every year.  
b) We will observe 27th August as Razakar Horrors Remembrance Day to pay homage to the martyrs of Bairanpally and Parkal  
c) Further, on assuming office, will establish a museum and a memorial in Hyderabad, to document the brave struggle of the people of Telangana against the Razakars and the Nizams
2. Ensure zero tolerance towards corruption and provide Good Governance with the Modi Mantra of 'Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas' The BJP on assuming power will appoint a commission of enquiry headed by retired supreme court judge to probe into all corruption allegations including Kaleshwaram and Dharani scams and other financial irregularities committed by the incumbent BRS Government.
3. Channelizing the aspirations of the marginalised sections and providing real social justice and take care of all the people and ensure their development, BJP will appoint Telangana's first BC Chief Minister
4. Fast track SC sub-categorisation in reservations to ensure that most disadvantaged and underprivileged among SCs are empowered.
5. We will remove unconstitutional religion based reservations and provide this to OBCs, SCs and Sts.
6. To bring down inflation and give respite to the common people, we will make petrol and diesel cheaper by reducing VAT in line with other BJP states
7. In addition to the Modi Government's fertiliser subsidy of over ₹18000/- per acre, we will provide ₹2,500/- as input assistance to small and marginal farmers to enable them to procure seeds and fertilisers.
8. The National Turmeric Board that has been established by the Modi Government will support turmeric farmers to bring about value addition such that the export of turmeric gets a fillip. We will establish processing centres to boost employment generation.
9. Provide Rs. 3,100 MSP on Paddy and required Market Intervention Fund for turmeric. BJP promises to purchase the entire rice produce in Telangana
10. Free crop insurance to farmers through PM Fasal Bima Yojana
11. Provide 4 Gas cylinders free of cost annually to Ujjwala beneficiaries
12. Aada-Bidda Barosa fixed Deposit by the Government at the time of birth of a newborn girl child so that Rs. 2,00,000 can be redeemed at the age of 21
13. Free laptops will be provided for girl students who are entering undergraduate degree or professional college courses
14. Women Self Help groups (SHGs) will be provided loans at a nominal interest rate of 1%.
15. TSPSC State Recruitment exams including Group 1 and Group 2 exams in a transparent and time-bound manner of 6 months in the lines of the Union Public Service Commission (UPSC) exams
16. Free Desi milk-yielding cow will be given to willing small and marginal farmers
17. Provide coverage of Rs.10 lakh per eligible family per annum for secondary and tertiary care across public and private hospitals
18. Free annual health checkups for all economically weaker residents of the state
19. We will represent the case of Telangana legitimately in front of the KWDT-II to get the rightful share of River Krishna waters for Telangana
20. Ensure timely payment of salaries and Pensions to employees and retirees on the 1st of every month
21. Formation of a Committee to draft a Uniform Civil Code to consolidate and harmonise various personal laws
22. All the poor without homes will be provided houses in a time bound manner synergising central and state government's avenues and resources.
23. House site Pattas will be given to the eligible poor in villages
24. Free Ram Mandir and Kashi Yatra for Senior Citizens
25. We will set up a fully functional NRI department/ministry to extend timely logistic support in times of exigencies to ensure the safety and security of overseas residents, especially in the Gulf region
